

## Confidential Acquisition Opportunity

### Industrial Equipment Dealer (“The Company”)

Established over 15 years ago, the Company is a recognized industrial equipment dealer. The Company offers new and used product sales and rentals, including parts and service.

Recognized for its professional service with high ethical standards, the Company has delivered quality products and service to its long-standing and loyal customer base. The Company has focused on a diverse customer base within the Midwest, with its top customer making up less than 5% of total sales.

The Company presents a tremendous growth opportunity for a synergistic buyer. Real estate is available under a separate transaction. Current annual sales are approximately \$3 - \$4 million.

A confidentiality agreement and evidence of financial capability are required for more information. Please contact:
