

## Confidential Acquisition Opportunity

### Insurance Agency (“The Company”)

Established between 15 - 20 years ago, this West Michigan Company is an independent insurance agency, representing exclusive carriers. Currently, the Company offers personal and commercial property and casualty products. The lines are offered within the Company’s geographic area. The Company presents a tremendous growth opportunity by expansion and implementation of complimenting product lines, such as life insurance, annuities and long-term care insurance. Current annual commissions are estimated between \$300,000 to \$400,000 with the current book valued between \$1 - \$1.5 million.

A confidentiality agreement and evidence of financial capability are required for more information. Please contact:
