Confidential Acquisition Opportunity

NuVescor Group has been retained by a distributor/installer of overhead garage doors and operators, fences, and gate and access systems. (“The Company”).

The Company is a Michigan-based corporation handling primarily commercial and industrial needs.

Among the Company’s specialties are sectional, coiling steel/aluminum/PVC rollup, hi-speed and fire shutter doors.

The Company has been in business for over 20 years and specializes in sales, installation and service of its products.

The Company prides itself in its attention to detail and complete solutions customized to the customer’s needs ranging from chain link and ornamental fencing to keyless entry access systems to top quality garage door/operator systems.

The Company is proud to be part of the International Door Association, the American Fence Association, the American Fence Association and NOMMA.

The Company also offers 24 hour emergency service.

A complete Offering Memorandum is available to qualified parties. A confidentiality agreement and evidence of financial capability are required. For detailed information contact:
