

Confidential Acquisition Opportunity

Architectural/Engineering Design Firm (“The Company”)

NuVescor Group has been retained as the advisor in the sale of a highly respected, Midwest based architectural and engineering design firm. Founded many years ago, the Company has successfully designed hundreds of projects, including many that are high-profile. The Company’s excellence is reflected by their portfolio, with projects in Healthcare, Hospitality, Education, Commercial and Corporate Office. While many projects are in the Midwest, the Company has led numerous projects throughout North America.

The firm’s expertise in both architecture and engineering enables the Company to design a complete environment from preliminary analysis to construction management through interior and landscape design. The Company’s broad spectrum of specialties has enabled them to effectively compete throughout North America.

A confidentiality agreement and evidence of financial capability are required for more information. Please contact:
